Related articles: The Most Delightful Cupcake Shoppe Birthday PartySummer and lemonade go hand in hand. It is a refreshing drink that children not only love to eat, but also love to make and sell. The lemonade stand is not only fun, but also teaches children amazing skills while keeping them busy. So if you love the idea of creating a lemonade stand with your kids, but have no idea where to start, then this will be a great read for you. We cover everything from creating your own DIY lemonade stand, to decorating it and giving ideas of what else you can sell. But most of all. If you plan to create a lemonade stand, you need to know what you will do with it. Tips for a successful Lemonade StandDecide on the site!ll be up about where you put the lemonade stand. Of course there is an obvious backyard for kids to have fun and have fun, but if kids want to actually try and make a few dollars from their booth, then you have to be a bit creative. If you live on a busy street, take your stand to the end of the driveway or corner to stand out. Perhaps, if your street is not busy enough, your family may live in a better location. Make it stand outHaving curb appeal is really important to get the attraction to the lemonade stand. Consider how you will decorate to make it look nice. In the post you will find ideas about it. What can you put in a lemonade stand? When setting up a stand, there are many basic things to consider. These are: CupsGlass pitcher/s lemonade, so customers can see what they buyExtra candies such as muffins, Paper towels for get any unexpected leaksDonation/cash container to ensure that all money remains safeAdvertiseOne of the best ways to get noticed is to advertise. This is a great way to teach kids about marketing. They can create flyers to move mailboxes, create characters, or place an ad in a newspaper. Determine your priceZd down with your children and determine how much everything will cost. Lemonade can sell for \$0.50 or \$0.75, then for extra for cupcakes and other items. Otherwise, you can always simply request a donation without setting a price. Sometimes you can actually earn more in this way, as people are more likely to pop in a bit extra. Setting up at a time when exercise is fun, it's important to talk to your kids about how they should use their manners with customers. Talk to your kids about how everyone will have a refund when taking orders, serving lemonade and taking money to make sure there are no arguments on that day. How to make homemade lemonade stand? Lemonade Stand Made With Small Wooden CratesSource:Divine LifestyleThis adorable lemonade stand was quick and easy to build and extremely budget friendly. With easily accessible items, children can help build a stand before they start selling lemonade. The end result is a charming stand, from which children will have many hours of fun. IKEA Kitchen Hack StandSource:U Ready Teddy? While this IKEA kitchen has been transformed into an ice cream rack, it can just as easily be turned into a lemonade stand. Follow the same process, but instead of setting it up for ice cream, set it to lemonade. DIY Lemonade Stand DecorationsHow To Make A Lemonade Stand SignSource:Love The DayKrating Lemonade Stand Sign is very easy when priming is already designed for you and you can access it for free! Not only do you get a character, but you also get an invitation, banner, tags, and party circles. It has everything you need to make DIY lemonade stand out while still looking incredibly pretty. Lemonade Stand BuntingSource:One Simple PartyThe best way to decorate a diy lemonade stand is bunting. If you love the design of the board, then this free bunting board will be just what you need to complete your booth. As you make lemonadenow that you made and decorated the stand, it's time to actually make some lemonade. As a general rule, the following recipe should be observed: Put 3/4 cup of sugar and 1 cup of boiling water in a heatproof bowl. Dissolve the sugar and allow to cool. Add 1 cup of lemon juice to the sugar mixture and add 2 cups of water. Mix to combine. Mix in ice cubes and slices of lemon to serve. There's nothing to stop you from branching out from regular lemonade with a few extra to make several different flavors. Pink LemonadeSource:The Kitchen Is My PlaygroundPink lemonade not only tastes delicious, but also looks amazing. It is so incredibly easy to make and the kids will have fun whipping it up to LemonadeSource:Mighty MrsFor something else, like trying lavender lemonade. It would certainly be something that the kids didn't try before it would be a little exciting. What can I sell instead of lemonade? While the lemonade stand is obviously perfect for selling lemonade, there are many other things that kids can also sell. A few examples include: Muffins and cake popsIce CreamPlay potteryCardsThese may be associated with lemonade or have another spin on them, such as watermelon or strawberries. Strawberry Lemonade CupcakesSource:Country Chic CottageStrawberry lemonade muffins are the perfect little treat for summer and oh so incredibly tasty. Can you imagine these little beauties sitting on a lemonade stand. They certainly won't be sitting there for long! Pink Lemonade Cake PopsSource:One Simple PartyPink Lemonade Cake, Vanilla Icing and White Chocolate Coating. That's what you get with these delicious pink lemonade cake pops up. Treats on a stick do not last long, especially when they look so good. Pink Lemonade CupcakesSource:Divine LifestyleThese pretty pink lemonade muffins would be the perfect addition to the lemonade stall sale. They look very nice not to mention incredibly tasty. It would be quite impossible to go for freshly made lemonade and muffins to go with it. Lemonade PotionsSource:U Ready Teddy? All children love potions, and creating their own potions is just very exciting. These lemonade potions are fun, fun to play with and great to taste. If you want to add them to the lemonade stand just pour the elixir into small bottles and decorate with a ribbon. I'm sure they will be a popular addition to the lemonade stand. Putting It All TogetherOnce you have a stand, decorations, muffins and everything you think you want to have at the stall, it's time to put it all together. Create a great look and you are more likely to attract these customers. The key is to create a space that all the elements can be seen, but they are not overwhelming each other. For example, check out the amazing lemonade stand tikkido ideas.Source:TikkidoCreation of a DIY lemonade stand will be a lot of fun for you and your kids.
